## Welcome to Beacon Fire & Security

Dear Sir/Madam

Following the completion of your installation/annual maintenance, we are pleased to welcome you to our customer service organisation

We pride ourselves in striving to ensure that your equipment is supplied and installed to the highest quality standards.

Please notify Beacon Fire & Security and your Insurers of any changes in construction or use of your premises (for examples new doors or windows, new heating and lighting, additional apparatus, variations in stock layout, etc) as this may affect the operation of your system.

Thank you for choosing Beacon Fire & Security for the protection of your premises. We look forward to being of service to you.

Yours faithfully

Beacon Fire & Security
